**BEN WADE** proposes to continue in public life, as a member of Congress, notwithstanding the people of Ohio will not let him remain in the Senate. He is unwilling that the country shall lose his eminent services, and intends to be a candidate for the House of Representatives from Gen. Garfield's district. But Gen. Garfield, perhaps, like his fellow Radicals, takes a radical view of the matter, and as to his own seat will conclude that Benjamin need not be "wanting" it.

**GUANO—REDS AMMONIATED SUPERPHOSPHATE OF LIME.** The best superphosphate yet offered to the farmer, possessing all the activity of Peruvian Guano, but being far more durable in its effects.  
It contains a large amount of animal matter in a highly concentrated form, which, combined with its soluble bone phosphate of lime, cannot fail to render it very valuable as a fertilizer. Notwithstanding we believe it to be the best super-phosphate in the market, yet, by a process peculiar in its manufacture, whereby the expense is lessened, we are enabled to sell it very low, at a liberal discount to dealers.
